

2010 World Asthma Day Event

EVENT TITLE: "Healthy Homes, Community Health Workers, and Asthma Management"

LOCATION: Sinai Community Institute

PICTURE: KEYNOTE SPEAKER- Jim Krieger, MD, MPH is chief of the Chronic Disease and Injury Prevention Section at Public Health: Seattle & King County, Clinical Professor of Medicine and Health Services and Attending Physician at the University of Washington.

TUESDAY, MAY 4, 2010---The Sinai Urban Health Institute and the Chicago Asthma Consortium co-hosted an educational program for World Asthma Day entitled "Healthy Homes, Community Health Workers and Asthma Management". The program included a keynote address from Dr. James Krieger, a national expert in the field; a presentation from the Sinai Urban Health Institute's Healthy Home, Healthy Child Program; and a question and answer panel featuring local experts and Community Health Workers representing three Chicago-area asthma programs.

Over 70 people attended the event including professionals and community health workers representing various agencies and community members from community areas across the Chicagoland area.
