

## 2009 World Asthma Day

**EVENT TITLE:** Healthy Home, Healthy Child Launch Event

**LOCATION:** Douglas Park Cultural and Community Center

**TUESDAY, MAY 5, 2009**--In conjunction with *World Asthma Day*, Sinai Urban Health Institute and the newly created Westside Children's Asthma Partnership today officially launched the **"Healthy Home, Healthy Child"** program, an innovative initiative for children with asthma and their families on Chicago's West Side. The event was held at the Douglas Park Cultural and Community Center in North Lawndale, attended by local families, physicians, health policy leaders and community advocates.
